Dear Parents / Caregivers,

Our children are one of the greatest gifts that God has blessed us with. Parents have many aspirations for their children and spend their lives providing a range of opportunities for them. Choosing a school is one of the significant decisions you can make for your child. For some, the search for the ‘perfect school’ for your child can be a difficult one and for others it is an easy one. It is important before choosing a school to ensure you understand how it operates. No school will cater for your every need but it is important that it does address the most significant needs of your child.

St Anthony’s is a Parish Primary School. Our school is located in Lara and was built through the hard work of our Parishioners on its present site over 30 years ago. While it was initially a small rural school the changing face of Lara means that it has grown significantly. Our school takes its place in our Parish community as we draw life from it but also actively contribute. At St Anthony’s we are committed to living out our faith. We draw our inspiration from St Anthony who said, ‘Actions speak louder than words. Let your words teach and your actions speak.’

Our school is committed to developing the conditions and supports that allow our students to drive their own learning as they let their light shine. We encourage independent and critical thinkers who are able to problem solve in a range of situations. We draw on the Victorian curriculum to ensure our students receive the curriculum they are entitled to receive. We encourage our students in all areas. Pope Francis stated in his address to Italian teachers on May 10th ‘The mission of schools is to develop a sense of truth, of what is good and beautiful. And this occurs through a rich path made up of many ingredients. This is why there are so many subjects — because development is the results of different elements that act together and stimulate intelligence, knowledge, the emotions, the body, and so on….True education enables us to love life and opens us to the fullness of life’ At St Anthony’s we educate children in all aspects of their being. Students develop a sense of their own identity and how they fit into our local and global communities. We actively encourage leadership and teach children ways they can stand up for their beliefs in a positive way. We celebrate our own and other’s successes.

Our staff are a group of highly committed professionals who always place the student at the centre of every decision. Our parents contribute significantly to school life in a range of ways. Communication between staff and parents are of the utmost importance to us as we view ourselves as in partnership with each other.

If you feel you would like to hear more about our school please free to contact us.

God’s peace be with you

Rachel Smith
MISSION STATEMENT

(To be developed in 2015)

VISION STATEMENT

St. Anthony’s is a Catholic faith community, which inspires and celebrates a love of learning.
GOVERNANCE

THE PARISH PRIEST
The Parish Priest is the Canonical Authority and administrator of the school. He has the ultimate responsibility for the management and pastoral care in the school.

As leader of the Parish community the Parish Priest has the responsibility of ensuring that the school offers a religious education program that reflects Diocesan guidelines and policies. He also ensures that a proper educational environment is established at the school.

In his role as Spiritual leader in the Parish and in our school, the Parish Priest contributes to the life of the school by his leadership and guidance in prayer, liturgy and sacramental celebrations.

THE SCHOOL PRINCIPAL
The Principal of a Catholic school has the duty and privilege of promoting the Catholic ethos within the school community.

The Principal has the responsibility of administering the parish school within the framework of diocesan and parish policy, government regulation and community expectations. The Principal's role is to implement the efficient running of the school and to ensure for an effective education program is provided for the children.

THE SCHOOL ADVISORY BOARD
The St. Anthony's School Advisory Board is a vital part of the school's operation. Through the Board, parents and staff work together to share ideas and to provide for the school's needs.

Nominations for the School Board are accepted, prior to the Board AGM in December.

School Boards in Catholic Schools are Advisory Bodies. All decision making lies with the Parish Priest which is usually delegated to the Principal.

Parents are notified about the Board activities through the School Newsletter and the Board Newsletter.

PARENTS AND FRIENDS
All parents are welcome to be part of the Parents and Friends. The Parents and Friends play a valuable role in the school, in terms of fundraising and building community (see Appendix 4)

Notification of meeting dates for the School Board and the Parents and Friends are communicated through the school newsletter.
2016 TERM DATES AND FEES

Term 1
27th January - 24th March

27th January
Teachers commence

28th – 29th January
Student one to one assessments Year 1-6

1st February
Years 1-6 students commence

Term 2
11th April - 24th June

Term 3
11th July - 16th September

Term 4
3rd October - 20th December

PREP COMMENCING ARRANGEMENTS

28th – 29th January
Prep 2016 students attend on one orientation session on
one of these days

3rd February
Preps students commence

Preps do not attend school on Wednesdays during February 10th, 17th, 24th but do attend
8.55am – 3.30pm on other days.

Options for School Fee Payments

1. In one payment due on March 24th, 2016
2. Half yearly payments due on March 24th, and August 26th
3. Four term payments due within the first two weeks of each term
4. Weekly payments Start from $29.63 x 40 weeks

In 2016 the School Levies will be due for payment by the 4th March 2016.

Payment Methods

1. Cash or cheque at the school office.
2. Eftpos at the school office.
3. Direct credit to St. Anthony's General Account.
4. Direct Debit (Forms are available from the school office)

BSB: 083 347
ACCOUNT NO: 813699146

Please use your family’s unique six digit account number situated top right hand corner of your statement under the date as your reference.

Please Note:

*School camp experiences incur additional charges.*
EDUCATIONAL PROGRAMS

GENERAL CURRICULUM
St Anthony’s is committed to providing an educationally sound curriculum in all areas. This involves ensuring students have the literacy and numeracy skills required for the modern world. Children will have a wide range of opportunities to develop their skills and understandings as they will have opportunities to become independent and engaged learners who are able to collaborate with a wide range of people in their work.

We endeavour to provide a personalised program for each child. Intervention programs for children most at risk include Reading Recovery, Maths Intervention and LNSLN program.

RELIGIOUS EDUCATION INTEGRATED STUDIES
At St Anthony’s we use the inquiry process from Years Prep-6 to engage students in Integrated Studies and Religious Education. The inquiry process provides a meaningful context for children to learn concepts and skills. We immerse students in a new topic through excursion and incursions and ensure learning is fun and enjoyable. Each level carefully plans these experiences to ensure students are engaged and thinking deeply about their thinking to create ‘wonderings’ they can investigate throughout the unit. Students are encouraged to explore and discover together and on their own which also allows students to extend what they are learning, experiment, take risks and practice new skills. Inquiry based learning provides opportunities for collaborative learning with teachers and peers and develops a sense of ownership for their learning.

Social development skills are also developed through inquiry. Cooperation, sharing, turn-taking, conflict resolution and leadership skills are all integrated into inquiry. Students also learn to allocate their time to tasks, concentration for set periods of time and persistence when tasks become challenging. We have also see language development particularly in the junior years including communication skills, vocabulary, storytelling and emergent literacy.

During Prep and Year 1 students inquire about their world through developmental play in the Master class sessions. We have seen the children develop important skills that will help them become independent thinkers and collaborative learners. Through Master class, develops aspects of cognitive development including creativity, abstract thinking, imagination, problem-solving, social cognition, empathy, perspective-taking and mastering new concepts. We have also seen the students develop greater self-confidence and self-esteem.
In Year 2, students are involved in inquiry through the “genius hour”. We ask students to develop questions and wonderings around a passion, or interest. Through set guidelines and careful instruction these students will begin inquiring in a new and innovative environment.

Our Religious Education learning is also driven by the inquiry process. Students are asked to wonder and investigate topics of interest to them through the Religious Education curriculum. Deeper learning and more engagement can be seen from our students as they begin to critically think about the world around them through their Catholic faith lens.

Inquiry is an important part of developing deep, critical thinkers and teaching skills our students will continue to use throughout their educational journey. Through Integrated Studies and Religious Education using the inquiry process we continue to challenge our students to reach their potential.

LITERACY
Literacy is an integral part of how we communicate with others every day. At St Anthony’s Catholic Primary School we aim to provide all students with the opportunity to write with purpose, read for meaning and develop skills for speaking and listening. This is not only important for communication but also for their learning. We use explicit foci to target student’s individual needs, catering for children of all abilities. Priority is also given to important skills such as spelling, grammar and punctuation. Our Literacy programme uses contemporary teaching and learning practices that prepare students to be lifelong learners.

At St Anthony's Catholic Primary School we aim:

- to develop each child's competence, confidence and enjoyment in speaking and listening in order to communicate effectively with others.
- to develop each child's ability to read, understand and respond to all text types.
- to develop children’s interest and pleasure in reading, so that they can read independently, understand the meaning and express preferences about their reading.
- to ensure that children read with fluency, accuracy and understanding across a range of texts, both fiction and nonfiction.
- to develop the student's ability to construct and convey meaning in a variety of written genres.
- to develop pupils' understanding that writing is essential to thinking and learning across all curriculum areas
- to enjoy writing and to see the value of it.
At St Anthony’s we teach according to the Victorian Curriculum. The Victorian Curriculum [http://www.vcaa.vic.edu.au/Pages/index.aspx](http://www.vcaa.vic.edu.au/Pages/index.aspx) outlines what is essential for all Australian students to learn during their time at school from Prep to Year 10. They provide a set of common standards which schools use to plan student learning programs, assess student progress and report to parents.

We make Literacy exciting and engaging through a variety of strategies. We understand the important role that oral language plays and this is addressed through our innovative Discovery Play Program in the Junior school. Writing, reading, speaking and listening skills are explicitly taught and are then practised across a range of curriculum areas to enhance learning. We teach our children to read and then use reading to learn

**MATHEMATICS**

Mathematics plays a pivotal role in many aspects of our daily life. At St. Anthony’s Catholic Primary School the curriculum focuses on developing mathematical understanding, fluency, logical reasoning, analytical thought and problem-solving skills. These capabilities enable students to respond to familiar and unfamiliar situations by employing mathematical strategies to make informed decisions and solve problems efficiently. We use explicit foci to target student’s individual needs, catering for children of all abilities. While our Mathematics programme does include some ROTE learning it mainly uses contemporary teaching and learning practices that encourage students to become self-motivated, confident learners through inquiry, and active participation in challenging and engaging experiences that ensures all students learn essential numeracy skills that they need in their personal, work and civic life.

**At St Anthony’s Catholic Primary School we aim:**
- to develop each child’s confidence in their ability to learn mathematics.
- to provide a personalised and differentiated curriculum to cater for individual learning needs, abilities and interests.
- for each child to develop an understanding of mathematical concepts and be able to pose and solve mathematical problems.
- to create meaningful and integrated contexts for mathematical learning such as family, world and global connections and to enable students to recognise connections between the areas of mathematics and other disciplines.
- to provide opportunities for students to collaborate with each other and to articulate their mathematical strategies, learning and reflections, and to critically reflect on their mathematical processes and decision making.

- to encourage students to take ownership of and manage their own learning with explicit goals developed with students.

- to use technology appropriately and effectively to support the learning of Mathematics.

At St Anthony’s we teach according to the Victorian Curriculum. The Australian Curriculum [http://www.vcaa.vic.edu.au/Pages/index.aspx](http://www.vcaa.vic.edu.au/Pages/index.aspx) outlines what is essential for all Australian students to learn during their time at school from Prep to Year 10. They provide a set of common standards which schools use to plan student learning programs, assess student progress and report to parents.
EDUCATION IN FAITH

‘Actions speak louder than words’ St Anthony of Padua

At St Anthony’s, we work in partnership with parents, parish and community to develop a sense of truth, what is good and beautiful. We respect the freedom of students with regard to individual stages of development, cultural diversity and religious belief.

At St. Anthony’s Catholic Primary School we aim to:

To experience the hope expressed through the Catholic Tradition.

To provide a Religious Education Program that is connected to real life and provides knowledge about Christian traditions

- To nurture the children’s faith through the life of the school community, prayer, liturgy and the Religious Education Program and to challenge students to develop a deeper understanding of their own personal faith commitment.
- To support families in the faith education of children at St. Anthony’s, and to encourage families to share in the life of the Parish.

During 2016 we will be trialling the draft document ‘The Religious Education Curriculum Framework. The program is delivered from P-6 with daily Religious Education lessons, the duration of these varying at different levels. We use a developmental inquiry based approach with explicit and targeted teaching at children’s knowledge base, understanding and reasoning. We are endeavouring to incorporate our Religious Education into the integrated units within the school. As well as formal lessons, the program is supported by liturgical celebrations, bi-weekly whole school meditation, prayers and activities at school assemblies, special events and class prayers.

Signs and symbols are clearly displayed throughout the school to enhance our Catholic Identity.

St. Anthony’s Sacramental Program is implemented within our P-6 Religious Education program.

Formal celebration of the Sacraments of Reconciliation, Eucharist and Confirmation follow the guidelines of the Archdiocese and are introduced as follows:

- Reconciliation: Year 3
- Eucharist: Year 4
- Confirmation: Year 6

School liturgies, such as the celebration of the Eucharist or Para liturgies are celebrated in St. Anthony’s Church, Mackillop Hall or in classrooms. Involvement of students, parents, staff and parishioners is encouraged.
There are also rostered times for every class to attend the Wednesday Parish Mass and facilitate Prayer Assembly on Fridays. Opportunity is provided for the development of both formal and informal prayer.

St Anthony’s is committed to providing students opportunities for Christian meditation twice a week.

**LOTE-ITALIAN**
Students from Year 4 to Year 6 participate in an Italian Program. The program aims to introduce concepts about learning another language, and about another culture.

**ART**
All students participate in a Visual Arts Program. Creative work is usually ongoing and the focus is on creating, making, exploring, rather than a completed item.

**PERFORMING ARTS**
All students participate in a Performing Arts Program. Activities are based on performing and practising, singing, music and drama.

**PHYSICAL EDUCATION**
All students participate in a Physical Education Program in activities that are based on performing and practising basic motor skills and movement patterns. They are also actively involved in activities that require them to use their development of athletic skills.

**INFORMATION TECHNOLOGY**
At St Anthony’s we encourage our children to explore the world around them. Technology, in the hands of active and creative thinkers can be a tremendous asset to enhance learning for all students. Technology at St Anthony’s plays an important role in the delivery of learning and teaching. Each classroom is equipped with a range of resources, such as Interactive Smart Boards, Apple TV’s, iPad’s, digital cameras, Apple iMac computers, Apple MacBook and Chrome books. The implementation of a variety of ICT across the school is an effective learning tool as it exposes our students to a range of media. Our technology is incorporated in our contemporary learning spaces which enable the students to be able access and choose the appropriate equipment to investigate, design and publish their work.
LIBRARY

St Anthony’s has a school library that children are encouraged to use. Books are loaned for a period of one week. Parents are asked to encourage children to read, to care for the books borrowed and to return books promptly. Each child is required to have a library bag (cloth preferred, measuring approximately 30cm x 40cm). Please note that if your child is not bringing home a library book or take home readers on a regular basis, it is worth contacting your child’s teacher.

EXTRA CURRICULAR ACTIVITIES

EXCURSIONS / INCURSIONS
During the year, excursions / incursions are arranged in order to extend and enrich the children’s learning experience. All children are encouraged to participate in the school’s programs. Details of excursions are supplied prior to the activities.

SCHOOL CAMP
Children from Prep onwards are exposed to a camp experience. For Prep children this involves staying after school for a few hours and in Year Six this involves going away for a few nights. Children generally have their first overnight camp experience in Year Two. Camp experiences are NOT compulsory.

WATER FAMILIARISATION AND SAFETY PROGRAM
The focus of our program is water familiarisation, water confidence and safety. Students from Prep to Year Four participate in an annual program.

OXYGEN MUSIC TUITION
Oxygen Music are our external provider of music lessons. Children have the option to learn to play a musical instrument. Enrolment forms for 2016 are currently available from the school office.

SCHOOL POLICIES, PROCEDURES AND REQUIREMENTS
The following policies and procedures assist towards the smooth running of the school, and towards the fulfilment of requirements of schools as set by the Catholic Education Office, the Victorian Registration and Qualifications Authority and various Government Acts.
Parents are asked to be familiar with the school requirements and expectations and to support the school by adhering to these. If you have any concerns about any issues related to the school, you are invited to discuss these with the Principal.

ACCESS TO THE SCHOOL

USE OF THE CAR PARK
For the safety of the children, and for the convenience of car park users, parents are asked to observe car park rules.

If parents are in too much of a hurry to observe protocols, it is suggested that they use the streets for parking, and walk to the school to collect children.

At all times, parents are asked to leave their cars to collect children at the gate (Kees Rd), or from the path. (Church car park) Children are not to be called to a car by waiting drivers, as this could result in a serious accident.

Car park rules are published in the school Newsletter, they are also on display on the community notice board and available at the school office. A copy of the Car Park Rules on appendix 1 & 2. If parents experience problems in the car parks, please feel free to alert the Principal, and a reminder will be placed in the Newsletter.

PROBLEM VISITORS
If there is a person/ persons in the school or school grounds that has not a legitimate reason to be there, and is not authorised to be in the school, then that person/persons can be asked to leave by the authority in the school.

Similarly, if a person/persons that normally has a legitimate purpose to visit the school is causing discomfort or disruption to the staff, students or visitors to the school, then that person can be asked to leave the school by the authority in the school.

VISITORS TO THE SCHOOL - REGISTRATION
All visitors to the school during school hours are asked to sign in and out at the school office, via our V-pass electronic system. This is a safety measure, so that all persons in the school are registered guests, and can be recognised as such. It is also a safety precaution in case of emergency, where all occupants of the school need to be accounted for.
PARENTAL EDUCATION

PARENT COURSES / SEMINARS
Parent Courses are conducted each year. These courses are aimed at developing parent understandings of the learning process. Although primarily aimed at Parent Helpers, the course content covers the learning process in a range of areas the ways in which parents can help their children at home and how they can help in the classroom is also covered.

Parent Seminars are offered on other occasions covering specific topics such as school curriculum, etc. Sometimes these are offered by the school, but we also give information about Parent Seminars offered by Barwon Health, the Catholic Education Office, and other relevant groups.

Parent Sacramental Sessions are offered to parents of students involved in the Sacrament Program.

Parents are encouraged to take up these opportunities, as they can be helpful for gaining knowledge about the curriculum and about your child’s needs and development.

PARENT HELPERS
There are many opportunities for parents to become involved with the school. Apart from the items mentioned above, parents can also be involved in assisting with classroom programs and in a range of other ways e.g. sports day, inter-school sports, swimming and excursions. Teachers generally advertise their need for support at the beginning of the school year, and as programs arise.

While parents are able to offer assistance in their child’s class they would not generally work with their own child during this time unless negotiated with the Principal. This would only occur in unusual circumstances as one of our goals is to promote your child’s independence.

SPORTS
Through the year, children participate in a range of sporting activities which include Whole School Cross Country, Whole School Swimming Sports and Whole School Athletics Day. The main focus of our sports program is co-operation and personal enjoyment rather than competition. Volunteers are always needed to assist with sports. If you can help, please inform the relevant teachers prior to sports events.
STAFF PROFESSIONAL DEVELOPMENT

PROFESSIONAL LEARNING TEAM MEETINGS / STAFF MEETINGS
Staff meet every Monday after school to work / plan in teams focused in curriculum learning areas. (e.g. R.E. / LITERACY / MATHS / INQUIRY) Staff meetings are held once a week, after school on Tuesdays.

Teachers are unavailable for meetings with parents on these afternoons.

STAFF PROFESSIONAL LEARNING
It is necessary for staff to keep up to date with professional learning, so that the best programs can be offered to students. Many teachers undertake courses and seminars after school and on weekends, but the value of staff group in-services is readily acknowledged as being beneficial to the school.

Periodically, staffs are involved in Professional Learning days as a staff group. These days are pupil free days, and the school is closed to students. On each occasion, notification will be given to parents at least one month in advance.

There can be an expectation that there will be at least one pupil free day per term, and possibly a two day staff seminar in the year. On these days, parents are asked to make arrangements for the care of their children.

STUDENT WELLBEING
At St Anthony's, we aspire to build a community that nurtures and supports the development of student wellbeing. The aim of Student Wellbeing is to develop students’ awareness of self and others in learning how to be happy and healthy in all aspects of life.

In achieving this, we first recognise our identity as a Catholic community and use the example of Jesus’ ministry in developing others and our own wellbeing. We apply the values drawn from scripture to develop a culture that is authentically nurturing, compassionate and respectful to all. This ensures that the wellbeing of every community member is able to flourish.

St Anthony’s gains its directions in the teaching and learning of wellbeing from the Victorian Curriculum. These directives are outlined in the area called ‘Personal and Social Capacity’ which includes lessons on working effectively with others, building relationship skills and managing emotions just to name a few. These lessons are taught both formally and
informally across the school. Classroom lessons with an explicit focus or more informal teaching during a variety of subjects and outside class activities are also used to teach these important skills. For example, at St Anthony’s, we promote and encourage collaboration between students when learning and therefore, students and teachers encounter many opportunities to develop personal and social capacity. During Physical Education, students often work in teams to achieve set goals in a range of activities.

One strategy to encourage development in student wellbeing is through the implementation of the School Wide Positive Behaviour Support framework. This framework encourages students to think critically about their behaviour in a range of contexts and to reflect upon appropriate and positive choices.

St Anthony’s caters for the individual needs of students in regards to personal and social capacities. We run a friendly lunch time group who work together to identify needs and set goals, participating in various activities and discussing social and personal skills.

**ENROLMENTS**

1.1 **CATHOLIC SECONDARY SCHOOLS**

Access to a place at St Anthony’s does not guarantee a place in a Catholic Secondary School. Secondary schools have their own enrolment procedures.

1.2 **ELIGIBILITY**

Priority of access to the school is given to Catholic students. Under certain conditions, children who are not Catholic children may be accepted into the school.

Reference: St Anthony’s Enrolment Policy – available from the school office.

1.3 **ENROLMENT OF STUDENTS WITH DISABILITIES AND SPECIFIC LEARNING NEEDS**

St Anthony’s does have specific support programs for students with disabilities to specific learning needs.
1.4 ENROLMENT PROCEDURE

AGE

Children must turn 5 years of age before the 30th April in the year they are to commence school.

Enrolment Procedure Time Line

In April of each year is when enrolments for the following year open. Enrolment packs can be obtained from the school. We hold our Open day in May which presents the opportunity for you to come and visit

A “Registration of Interest” form C:\Users\dburton\Desktop\Registration of Interest.docx can be obtained prior to our Open Day.

During June the Principal will meet with families to conduct an informal Interview. This is a chance to talk about your child and answer any questions you may have.

Letters confirming an offer of enrolment will be mailed during the month of July.

On acceptance of enrolment families will need to provide a copy of the child's;

- Birth Certificate
- Baptism Certificate
- Immunisation History Statement
- Visa Information (if applicable)
- Please provide before the commencement of school
- Other enrolments throughout the year process

Orientation Information will be sent to families in October.

The school conducts 3 Prep Orientation sessions during November. While children are familiarising themselves with school, information sessions will be held for parents.

In December families will be notified by a letter advising of which Prep class your child will be in.
BEFORE AND AFTER SCHOOL CARE

From February 2016 our school will be offering to our families an on-site service for Before & After School Care. Our provider will be Extend.

Extend is a Registered, Licensed and Approved Child Care provider please feel free to check out their website at http://extend.com.au/

SCHOOL SCHEDULE

2.1 ATTENDANCE

Regular attendance is important as it helps academic progress, social adjustment and the development of dependability. It is a legal requirement for parents to ensure regular school attendance for their child.

Children returning after a period of absence need to bring a written note to the class teacher stating the reason for the absence. Parents may use Student Absence Notes that are provided by the school.

2.2 CHILDREN LEAVING THE SCHOOL DURING SCHOOL HOURS

When parents wish to remove children from the school, prior to regular dismissal time, a written request will be required from parents. Parents will be requested to sign out their child via our V-Pass electronic registration system. An Early Leave pass will be issued to you and this needs to be given to your child’s class teacher. Children will not normally be permitted to leave the school without a parent/responsible adult on a verbal request.

Teachers will only release a child on receipt of an Early Leave Pass that has been endorsed by the principal or administration staff. This is to ensure the safety of all children.

2.3 PUNCTUALITY

Children are expected to be punctual for all school activities, as late arrival upsets class programs, and causes students to miss out on early instructions. Children should arrive at school between 8.45am and 8.55 am.
2.4 SCHOOL TIMETABLE

Last day of term 1, 2 and 3: Dismissal 1.00pm
Last day of school year: Dismissal to be advised

2.5 SUPERVISION BEFORE AND AFTER SCHOOL

Teachers arrive at school early, so that they are able to prepare their class for the activities of the day. One teacher is rostered for supervision of the school yard from 8.40am. This is minimal, but practical, and suitable for that time of the day. Students are asked not to play on the play equipment before school, or play any ball games due to the limited supervision available. Students may play on the asphalt area. Parents are asked not to allow students to come early to school, if this is not necessary. Arrival for school is recommended between 8.45 am and 8.55 am. After school, there are teachers rostered on for the supervision of the main exit points from the school yard. Please note that students are not permitted to enter car parks unless accompanied by an adult.

There is an expectation that students do not play on the play equipment after school, due to the fact that these areas are not supervised. This also includes preschool children.

The cooperation of students and parents is appreciated in these matters.
COMMUNICATION

3.1 MOBILE TELEPHONES
Students are not generally permitted to have mobile telephones at school, or to take them on school camp. All communication needs to occur through their teachers. If parents require their child to have a mobile telephone for a specific reason, this should be discussed with the Principal, so that acceptable arrangements can be made.

3.2 NEWSLETTER / NOTICES
Newsletters are emailed to families each week. St Anthony's also communicates through the Skoolbag app. The Skoolbag app provides a convenient way for our school to communicate with parents and carers. School notifications, school newsletters and alerts are communicated directly to the parent smartphone through the St Anthony’s Lara–Skoolbag app. The Newsletter is an important way of keeping in touch with events in the school. Special notices and letters are sent to parents regarding excursions and events as they arise. Please note that parents are expected to read the newsletter. Reminder notices are generally not sent out for events. A term calendar is contained in each newsletter. Any updates are continually added.

3.3 PARENT / TEACHER CONSULTATIONS
During the year, you will be invited to Parent/Teacher consultations arranged at the school. These generally occur for a touch base meeting in March and at the time of the distribution of midyear and end of year reports.

Apart from school arranged meetings, you are welcome to meet with teachers or the Principal to discuss your child's progress.

Parents are asked to request an appointment when this is needed. Please note that teachers are not available to meet with parents between 8.55am and 3.30pm unless arranged by the Principal/Deputy Principal.

3.4 TELEPHONE CALLS
In emergencies, messages for children may be given via the telephone. Whilst teachers are not usually available for telephone conversations, a telephone call to the Principal or school secretary can often meet people's requests or enquiries.
DRESS CODE

4.1 BICYCLE HELMETS
Children riding bikes to school must wear helmets as prescribed by law. Helmets are also strongly recommended for students who ride scooters or skateboards to school.

4.2 EARRINGS
While the wearing of studs or sleepers (only 1 per earlobe) is allowed, parents and students are warned that the wearing of earrings may present a risk of injury to the wearer.

4.3 HAIR
Any child, girl or boy, with shoulder length hair (or longer) is required to tie their hair back. This is for tidiness and for the prevention of spread of head lice. Headbands/ties should be of colours in keeping with the school uniforms – navy, blue, burgundy or white. Fringes should be tied back to allow for correct vision for learning. More specifically hair should:
   • Be off the collar
   • Not fall across face or eyes
   • Be neat and clean
   • Not be undercut or coloured
   • Be moderate in nature and not reflect the extremes of fashions

4.4 EXTREMES OF FASHION
It is not permissible for children to indulge in extreme fads and fashion in hairstyles and dress. This type of presentation sets up unnecessary competition with regard to appearance, and detracts from the image of the school.

4.5 JEWELLERY
The wearing of jewellery such as costume jewellery earrings, chains and rings is not permitted. When children are involved in play, jewellery can be a safety hazard. Children are permitted to wear wrist watches or a crucifix.

4.6 LABELLING OF CLOTHING
Please clearly mark all items of clothing with name tags - ink has a tendency to wash out.
4.7 LOST PROPERTY
All unidentified clothing is stored in a lost property box. Unclaimed items will be cleared at the end of each term. Please assist us by impressing upon your children, the need to be responsible for their things.

4.8 SCHOOL UNIFORMS
All children are expected to wear the prescribed school uniform. Presentation in the correct uniform, with clean shoes and tidy hair expresses pride and upholds the standards of the school, creates a sense of identity, and minimises unnecessary competition. If a child is unable to wear the correct uniform, parents are asked to send a note of explanation. Your cooperation is sought in this matter.

UNIFORM SHOP
Our uniform is supplied by Beleza School Uniforms, located at 107 Ryrie Street, Geelong. Phone: 5221 8545

Sports shoes

Girls
Burgundy/navy blue tracksuit
Navy sports shorts
Navy sports skort
Blue polo shirt with
burgundy trim
Navy socks or white
Sport socks
Sports shoes

SCHOOL BAGS ARE AN EXPECTED ITEM
4.9 **SUN HATS**

The school has a **NO HAT..... NO PLAY POLICY** in Term 1 and up to April 30th, and from 30th September to the end of Term 4. Children are required to wear a school hat when involved in outdoor activities during that time. Children on school camps must also bring a hat. Hats should be clearly marked with the child’s name.

**SAFETY OF CHILDREN**

5.1 **ACCIDENT / ILLNESS**

If a child suffers an injury which gives rise to any concern, the school will make timely contact with the parents. If a child is thought to be too ill to remain at school, parents will be contacted and asked to make arrangements for the child’s care. Parents are asked to sign their children out at the school office. Children who spend time in sick bay will receive a note to take home.

5.2 **CHANGE IN PICK UP ARRANGEMENTS**

If students are to be picked up from school by person/persons that are not the usual after school carers, please notify the class teacher of the change.

5.3 **DOGS PROHIBITED FROM SCHOOL GROUNDS**

Dogs are not permitted into the school grounds for safety reasons, nor should they be tied to the fences near pedestrian access.

5.4 **EMERGENCY MANAGEMENT PLAN**

The school has procedures to deal with various emergency and disaster situations e.g. fire, bomb threat. If parents are in the school at the time of an emergency situation, they must follow instructions given by the person in charge.

If parents at home hear of an emergency situation at the school, they should NOT try to contact the school, as this could prevent the use of the phone for emergency purposes. Parents should contact the Presbytery for information and instructions.

Phone: 5275 4120.

5.5 **LATE PICK UP OF STUDENTS**

If parents are delayed in collecting children from the school at dismissal time, children are asked to wait for parents in the school foyer. This ensures the safety of students, as they wait inside the school. Supervision is available until 3.45pm only.
5.6 PETS IN THE SCHOOL
Permission of the Principal is required before any pets can be brought into the school for Show and Tell. Parents should notify teachers first, and teachers will follow up with the Principal prior to the Show and Tell.

5.7 PLAYGROUND SUPERVISION
Teachers are on duty during recess periods and 15 minutes before and after school. Every effort is made to ensure the close supervision of the children and to provide safe recreation for all. On days of inclement weather, children remain in classrooms under supervision and enjoy suitable indoor activities.

5.8 RIDING OF BICYCLES TO AND FROM SCHOOL
In the interest of safety, it is recommended that only children from Year Four upwards should ride their bikes to school, in accordance with VIC ROAD Guidelines. Children from Year Three or under should only ride their bikes to school, if accompanied by an adult.

5.9 SCOOTERS / SKATEBOARDS
While not a requirement it is strongly recommended that helmets be worn. All scooter and skateboard riders must dismount prior to entering the school grounds. Riding of any of the above is not permitted in the school grounds or car parks at any time, under any circumstances. This rule applies at school times, Working Bees etc.

5.10 SIGN IN PROCEDURES
Parents and visitors working in the school are required to sign in at the office, and wear visitor ID whilst in the school. When leaving the school, visitors are asked to sign out.

HEALTH

6.1 BRAIN FOOD
At 10.00am and 12.30pm children have the option to eat either fruit or vegetables. Children are able to eat any type of snack food at morning recess.

LUNCH ORDERS
Our school holds a special lunch order day every Friday unless otherwise notified. In the interest of students who suffer severe allergies to particular foods, we recommend that nut products such as peanut butter and nutella, not be used in children’s lunches. Each class may have children who suffer from severe allergies from
other foods. Those will be indicated in the class newsletter. We thank you for your consideration in this matter.

6.2 HEAD LICE
Head lice and nits, are not considered to be a medical problem, but they are a nuisance. From time to time, the problem emerges at school. Children are not excluded from school if they have head lice or nits. Nor are they singled out or isolated. However, we have an expectation that parents are on the alert for infestation, and that treatment is commenced on early signs. Parents will be contacted if the condition is noticed at school.

When infestation is first noticed, we ask that parents alert the class teacher. The school will send a notice to parents of the child’s class, asking everyone to check hair, and to treat if necessary.

The best way that the problem can be addressed, is for parents to check hair every week. Early detection is the key. Information can be obtained from the school office regarding treatment.

Please help everyone to contain the problem and CHECK, CHECK and CHECK again.

6.3 ILLNESS
Children who are ill should not be sent to school (see 6.3). Not only is it distressing for a sick child to be at school, but there is also a risk of spread of infection.

6.4 IMMUNISATION CERTIFICATES
Changes to the Health Act require that parents present an Immunisation Certificate before a child starts school. These certificates are obtainable from the Medicare Registry and are required whether or not the child is immunised against diphtheria, polio, tetanus, measles and mumps.

Please note: In the event of an outbreak of measles, diphtheria or polio, children who do not have a record of immunisation will be excluded from school so as to reduce the risk of further spread of the disease in the community.
6.5 MEDICATION
If a child requires medication at school, the medication must be handed in to the class teacher. This is then kept in the First Aid room. Children should not be in possession of medication (except for asthma puffers where required), nor administer medication without teacher supervision.

Parents are asked to supply written directions regarding dosage and time for medication. Any medication should be clearly marked with the child's name and the name of the medication. Medication will not be administered if these directions are not correctly supplied. Administrations of Medication Forms are available at the office.

6.6 SCHOOL MEDICAL SERVICE
Children in the Preparatory class are offered a medical examination and are screened for vision, speech and hearing problems by the District nurse.

Children in other classes may be examined if referred by teachers or parents, or if they are being monitored after previous results.

6.7 INFECTIOUS DISEASES – EXCLUSION FROM SCHOOL

For other conditions, please check with the school office

**PUPIL RECORDS**

7.1 **ABSENCE FROM SCHOOL**

If your child is absent from school for a morning, day or more due to an unexpected event such as illness, dentist, appointment etc, please supply a note indicating the reason for the absence. These reasons are marked on the school roll as this is a legal requirement. You can also call the office on the day to report an absence or alternatively you can indicate your child’s absence on the Skoolbag App option.

7.2 **EMERGENCY INFORMATION**

It is important that the school has a valid point of contact at all times. Parents are asked to inform the school of contact updates immediately as emergencies are unpredictable.

Emergency Information is collected at the time of enrolment, and prior to excursions, swimming or school camps. Parents are asked for permission for the school to take necessary action regarding the child's care and safety. Parents are asked to supply information about any medical condition or medication that is administered to the child, and for emergency contact numbers, in case parents cannot be contacted.
7.3 EXTENDED ABSENCE FROM SCHOOL
If your child is likely to be absent from the school for an extended period of time, eg. Holiday, illness, family reasons, please supply a note to the principal explaining the absence, and specifying dates absent. This is required, in order to retain your placement at the school.

7.4 LATENESS/EARLY DEPARTURES
Children who arrive after 9.00am need to be accompanied to the office, signed in by their carer and collect a late pass. Late arrivals/early departures are recorded on reports. If you wish your child to leave early you need to collect an early leaver pass from the school office and give to their teacher.

7.5 PRIVACY
All student and family information is solely used for the purposes of school administration. A Privacy Statement is available from the school office.

7.6 PUPIL INFORMATION FORMS
Enrolment forms supply vital information regarding profiles. Parents are required to keep us informed about any changes of address, and or contact telephone numbers so as to update our data.

7.7 RECORD OF STUDENT ATTENDANCE
Each child's attendance or non-attendance at school is recorded morning and afternoon in the class roll. Pupil dismissal cards and absences notes from parents are retained by the school along with the class roll.

7.8 TRANSFERS FROM THIS SCHOOL
If your child is transferring from St Anthony’s to another school, please inform the class teacher and notify the Principal in writing as soon as possible. The Principal will issue you with a transfer note to take to the next school, or arrange to mail the transfer note to the new school.
ST. ANTHONY’S CATHOLIC PRIMARY SCHOOL, LARA

CAR PARK DIRECTIONS

FOR THE SAFETY OF THE CHILDREN AND THE CONVENIENCE OF CAR PARK USERS
IT IS IMPORTANT TO NOTE THE FOLLOWING:

KEES ROAD - CAR PARK

- Parents are asked not to park or drive through the teacher car park area.
- When entering the Car Park on Kees Road, please park in an allocated spot to drop or collect children.
- Please do not call your child/children to come to your car. Get out of the car, collect your children at the waiting point and personally escort them back to your car.
- ENTER ONLY - entrance for all vehicles.
- EXIT ONLY - exit for all vehicles.
- Cars parked in the side 90° parking area and other cars must leave the car park via the exit only. Do not exit from the ENTRANCE to the car park.
APPENDIX 2

ST. ANTHONY’S CATHOLIC PRIMARY SCHOOL, LARA

CAR PARK DIRECTIONS

GEBBIES ROAD - CAR PARK - (Adjacent to Church)

- All parking in this area is fixed parking as marked. There is no DRIVE THROUGH AREA in this car park.

- Parents are asked to park cars, and walk their child into the school grounds. After school, children should be collected by parents from the pathway. DO NOT CALL children to come to you in the carpark. You must go and collect your children.

NB: CHILDREN ARE NOT PERMITTED TO GO INTO THE CAR PARK AREA WITHOUT AN ADULT.
Teachers on supervision will ensure that children remain at the gate until children are collected by parents or carers. If parents cannot collect children before 3.45pm the children will be directed to wait for parents in the School Foyer near the office.
APPENDIX 3

ST ANTHONY’S CATHOLIC SCHOOL ADVISORY BOARD GUIDELINES

STATEMENT OF PURPOSE

The purpose of the guidelines for the St. Anthony’s Advisory Catholic School Board is to provide a set of guidelines for the Board to use as a basis of operation.

The value of guidelines is that they can direct and support the work of the Board. It is equally important to note that guidelines should not impede the work of the group, but should protect common interests and guide towards common goals.

The guidelines supply information regarding accepted procedures, outline the scope and boundaries of the activities of the Board and clarify the links between the Board, school Committees, the school Principal and the Parish Priest.

AIMS OF THE BOARD

The St Anthony’s Catholic School Advisory Board is an advisory body that aims:

1.1 To promote St Anthony’s Catholic school as a welcoming and inclusive community.

1.2 To support the Parish Priest, Principal, staff, students and school community in the ongoing development of the school through the collegial sharing of wisdom.

1.3 To promote the expressed values in the St. Anthony’s Catholic School Vision statement, and to foster the growth of our school community as a Christian Community.

1.4 To provide for the ongoing education of the Board with regard to awareness of its role within a Catholic school Community, bearing in mind the broader issues in education and Catholic education which influence the school's development.

1.5 To provide a forum for the Principal to undertake confidential discussions with the view to developing parent opinion in regard to school matters.
FUNCTIONS OF THE BOARD

2.1 Planning
To be involved in discussion with the Parish Priest and Principal and School Community with regard to medium and long term issues relating to the development of the school. To discuss matters pertaining to education and Catholic education in Lara and Geelong.

2.2 Finance
To give advice regarding priorities for expenditure of school monies in relation to the future maintenance and development of school grounds and buildings, curriculum materials and the development of staff.

2.3 Christian Community
To foster the growth of the school community as a Christian Community through inclusiveness, effective communication, consultation, collaboration and encouragement of home/school/parish interaction.

2.4 School Promotion
To develop strategies for the effective promotion of the school, and for celebrating and proclaiming Catholic Education at St Anthony’s. eg. Through the school Web Page.

2.5 Community Education
To raise awareness of educational issues within the school community through ongoing information regarding the school’s educational policies and programs, and by encouraging participation in appropriate adult/parent education.

2.6 Selection of a School Principal
To assist in the selection of a Parish Primary School Principal as an advisory body when such an appointment is being made, and is in accordance with Diocesan Guidelines.

GOVERNANCE
Through membership on the School Advisory Board each member assumes a leadership role in the School Community and is committed to the values and principles noted in the statement of purpose for the Board. Members contribute equally to all discussions.

The School Board is an advisory body to the Parish Priest or their delegate. While the Parish Priest / their delegate may seek advice ultimately all decisions are the responsibility of the Parish Priest or their delegate.
3.1 MEMBERSHIP

Ex officio members include:
The Parish Priest, the Principal or nominee, and the President of the Parents and Friends Committee, for the duration of their office.

Other members:
Four parent members and one teacher member are appointed for an initial period of two years, with an optional third year of service.

The additional third year would be applied where there is agreement by the Board and the member, that an extension would be suitable and necessary. The decision needs to be made by the last meeting of the Board within a school year.

At the discretion of the Parish Priest and the Board, additional members can be co-opted for specific reasons and for a specified period of time. The specified period of time shall not be longer than the normal membership period.

3.2 OFFICE BEARERS

At the first meeting after the Annual General Meeting:

A Chairperson, who shall have been a member of the Board for at least twelve months, will be appointed through a discernment process. A Chairperson will serve no more than two years consecutively.
The Board will appoint a Secretary, who will be responsible for recording the minutes of each meeting, and other administrative tasks.
The Principal will act as Executive Officer.

3.3 THE AGENDA COMMITTEE

The role of this committee is to draw up the agenda for each meeting, and to generally monitor the pace and work of each meeting.

This can be an open committee, but practicality suggests that, at least, the Chairperson and Principal should meet / consult to draw up the Board agenda.

In the absence of the Principal, the Deputy Principal will delegate for the Principal.
3.4 PROCESS OF APPOINTMENT OF NEW ADVISORY BOARD MEMBERS

- Prior to the AGM, notification of Board vacancies is placed in the school newsletter, along with a Nomination Form for the Board.

- Members of the school community are invited to self-nominate, and lodge the nomination with the Principal seven days prior to the AGM.

- At the AGM, the Chairperson of the Board chairs the meeting, but the Executive Officer presides over the Appointment of Board Members Procedure, and accepts subsequent appointees on the Board on behalf of the Parish Priest and the School Community.

- At the AGM, submitted nominations are made public and it is the role of the assembly to appoint Board members. If the number of nominations does not exceed vacancies, the chairperson may direct the assembly to accept nominations and appoint nominees, without a vote. If nominations exceed the number of vacancies, there shall be a vote, conducted by a secret ballot. Elections will be by a simple majority

- A returning officer will be appointed by the Board to receive and tally votes. The finding of the Returning Officer shall be final.

- In the event of insufficient nominations for positions, the Board may appoint an eligible person to the Board until the next AGM.

3.5 RESIGNATION, RETIREMENT OR REMOVAL FROM SCHOOL ADVISORY BOARD

With reference to Advisory Board members other than Ex Officio members:

- Any member may resign from the Board, and is asked to formally notify the Board in writing. This may occur at any time of the year, if the circumstances of the Board member warrant this action.

- The Board may cancel the appointment of a Board member, if that member fails to attend meetings regularly without notification or reasonable excuse. (Regularly may be interpreted as three consecutive meetings, or even three or more alternating meetings.)
• The Board may cancel the appointment of a Board member, if a member does not adhere to the expectations of the Board regarding Board members. (cf Code of Conduct 3.7)

• Board members who are outgoing due to the expiry of tenure are asked to submit a resignation in writing to the chairperson by the August meeting of the Board, prior to the expiry of tenure.

• Outgoing Board members are expected to serve on the Board until the handover meeting for the new Board members. This occurs at the first meeting of the Board after the AGM.

3.6 VACANCIES

In the event of a vacancy occurring during the year due to a resignation or removal from the Board, the Parish Priest or their delegate, at his discretion shall, appoint a person to fill that position, until the next AGM.

3.7 CODE OF CONDUCT FOR THE ADVISORY BOARD MEMBERS

Advisory Board Members are expected:

• To maintain the confidentiality of meetings when this is required.
• To accept and support decisions of the Board.
• To be loyal and supportive to the school, Parish Priest, Principal, School Board and the School Community.
• Be aware that as a Board Member, one represents the school, and should not act in any way as to bring the school into disrepute.
• To attend meetings, and to tender an apology when you cannot attend.
• To prepare for meetings by undertaking required reading, and to contribute to the focus discussions.
ADVISORY BOARD MEETINGS

4.1 MEETING TYPES

- ADVISORY BOARD MEETINGS

  The Board shall meet at least seven times a year. Meeting dates will usually be set at the beginning of the year. If the Board decides to call a special meeting, reasonable notice should be given, having regard to the urgency.

- ANNUAL GENERAL MEETING

  The Annual General Meeting will normally be held in November each year. The purpose of this meeting is to give an opportunity for the school community to meet, to deliver an annual report of the school community's activities and of the school's activities, to call for nominations for the School Advisory Board.

  The Parents and Friends Committee hold their meeting on the same evening, and these meetings shall be run as one meeting that addresses the agendas of both groups.

- OPEN GENERAL MEETINGS

  The Board may, at its discretion, hold an Open General Meeting. Such a meeting could be called to discuss a specific issue or policy etc.

  All members of the school community will be advised of an Open General Meeting at least three weeks prior to such a meeting being held. The Chairperson of the Board or nominee of the Board shall chair any Open Meeting.

  All school community members, current Board Members and Staff who are currently employed at St. Anthony's School are entitled and encouraged to attend.

4.2 GUIDELINES FOR OPERATION OF MEETINGS

- The secretary will keep minutes of meetings and distribute them to meeting attendees prior to the following Advisory Board meeting.
• The Agenda Committee drafts an agenda and the secretary distributes this along with the previous minutes and any documents for study, at least 3 days prior to the next meeting.

• Documents that should be submitted in writing to the secretary for distributing and minuting.

1. Parents and Friends Committee Report
2. Principal’s Report
3. Advisory Board and Individual Reports from the Board and Community as needed
4. Correspondence

5.00 ALTERATIONS TO THE GUIDELINES

With respect to the purpose of the Guidelines as outlined in the Introduction, from time to time changes to the Guidelines may be necessary in order to allow for the effective functioning of the School Advisory Board. Changes would usually be necessitated by changing circumstances or practice, and are usually made in order to maintain relevance.

The Parish Priest and/or their delegate has the right to veto any decisions if they feel if it is in the best interests of St Anthony’s community.
APPENDIX 4

St Anthony's Catholic Primary School, Lara
Parents and Friends Charter

PURPOSE
The purpose of this Community Charter is to guide the work and activities of the St Anthony's Community Parents and Friends.

SHARED UNDERSTANDINGS
Our Charter is based on the values of Faith, hope, and empowering each other. We believe our Community is called together through Faith and is inclusive of all members of our Community. We believe in providing for the common good of our Community and working in partnership with others in our Parish.

OUR VISION
Our vision of Community is centred on harmonious and engaging relationships where communication is highly valued. As a Community, we hope to create a sense of belonging and involvement; to know each other by name and background; to nurture a supportive environment; to create networks of connectedness; and, to encourage all to contribute to the growth and energy of the Community

COMMUNITY LEADERSHIP TEAM
A Community Leadership Team is established to ensure that all Community meetings are organised and that all actions are implemented. The Community Leadership Team is comprised of the Principal, Chairperson, Secretary and Treasurer. The Chairperson, Secretary and Treasurer are duly elected at our Annual Community Gathering (ACG).

DELIBERATION & DISCERNMENT
Our decision-making will be via consensus rather than by voting, reflecting our collaborative partnership as a Community.

ACTIVITY CONVENORS
For each activity organised, our Community will invite a person to take on the role of Convenor. The Convenor's role is primarily to be the contact person for the activity, and to co-ordinate all the necessary arrangements for the nominated activity.
FUNDRAISING
All funds raised for the Community will be spent on materials and resources as determined in consultation with the Principal.

ANNUAL FORWARD AGENDA
During the final two meetings of each year, our Community will develop an annual forward agenda (a twelve month plan) for the year ahead

Our Community Charter was endorsed by the Principal.
