

ST. ANTHONY'S CATHOLIC PRIMARY SCHOOL, LARA

YEARS 3-6 STUDENT ACCEPTABLE USE AGREEMENT - THE INTERNET AND DIGITAL TECHNOLOGY.

March, 2014

When I use the internet or digital technology, I agree to:

- Be a safe and responsible user whenever and wherever I use it.
 - Not reveal my password to anyone except the system administrator (or the teacher).
 - Use the internet for educational purposes and use the equipment properly.
 - Click on the 'home' or 'back' button immediately if I find myself in an unsuitable location, and then notify my teacher.
 - Only attempt to access sites that are permitted by teachers and the school.
 - Support others by being respectful in how I communicate with them and never write or participate in online bullying (this includes forwarding messages and supporting others in harmful, inappropriate or hurtful online behaviour).
 - Not respond to any messages that are unpleasant or that make me feel uncomfortable in any way (It is not my fault if I get a message like that, and I need to inform an adult that this has happened).
 - Talk to teachers if I feel uncomfortable or unsafe online or see others participating in unsafe, inappropriate or hurtful online behaviour.
 - Protect my privacy rights and those of other students or adults by not giving out, posting or forwarding personal details including full names, telephone numbers, addresses and images.
 - Use approved social networking sites or capacities for educational purposes and only as directed by teachers.
 - Abide by copyright procedures when using content on websites (ask for permission to use images, text, audio and video, and cite references where necessary) if I am unsure I will check with my teacher.
 - Think critically about other users' intellectual property and how I use content that is posted on the internet.
 - Not interfere with network security, the data of another user or attempt to log into the network with a user name or password of another student or adult.
 - Not bring or download unauthorised programs, including games, to the school or run them on school computers or other digital technologies (e.g. ipads).
- This Acceptable Use Agreement also applies during school excursions, camps and extra – curricular activities.

I have read the Student Acceptable Use Agreement carefully and I understand the importance of the conditions and agree to abide by these conditions. I understand that any breach of these conditions will result in internet privileges being suspended or revoked for a period of time which will be determined by the school.
